

Guidelines for Absences:

Unexcused: There is one unexcused absence per semester.

- The first unexcused absence results in a **warning** and a **\$10 fine**.
- The second unexcused absence results in **one strike** and a **\$35 fine**.
- Any other unexcused absences result in immediate probationary status. **Tardiness at a chapter meeting will be counted towards an unexcused absence.**

Excused: Two excused absences a semester. The specified member will be fined \$15 on the third excused absence. Any excused absence after that will follow this equation: $\text{Fine} = 20 \times (\text{excused absences} - 3)$. To acquire an excused absence, a member must inform the **Vice President of Membership** at least 24 hours in advance.

Ample notice is defined as at least 24 hours before the event. Non-frequent occurrence is no more than one recreational activity absence per semester.

The Vice President of Membership will record all absences and tardiness after each chapter meeting. Members are responsible for verifying the accuracy of their attendance records and addressing any discrepancies within 24 hours of notification. Every Tardy and Absence will be notified.

Guidelines for Tardies:

- Tardies apply to all members, regardless of activity status. A tardy is defined as arriving at a mandatory event **at least five minutes after the assigned time**.
 - If a member is more than twenty minutes late to a mandatory event, they will receive an unexcused absence.
- **For every two tardies**, a member will be issued one unexcused absence.

Guidelines for Fines:

If fines are not paid on time, they will increase by \$5 daily. After 10 days, the specified member will be put on probation.
